

## **CALL FOR ABSTRACTS**

**You are invited to submit abstracts to be displayed as posters at the Biostatistics Research Day. The aim of the poster session is to provide a platform for the participants to showcase their innovative research, statistical idea or an application in the field of biostatistics and statistics. Students and post-doctoral fellows are particularly encouraged to participate, and are eligible for poster awards, which will be announced at the closing ceremony. Please follow the instructions for poster presentations.**

**Abstracts (maximum of 250 words, in word or pdf format) must be sent to <biostat.dlsph@utoronto.ca> by April 18. Please provide the following information: name, email address and phone number; for students, please also state your degree program and university. Please follow the instructions for poster presentations.**
